Professional Experience

NSP NEXUS

Jan 2026 – Feb 2026

Role: JavaScript Developer

Responsibilities:

- Worked on fundamental data structures and programming concepts.
- Completed problem-solving assignments related to JavaScript development.
- Developed simple projects and interactive applications.
- Practiced debugging and code optimization techniques.
- Collaborated on coding tasks and technical exercises.

Impact:

- Successfully completed 4 technical assignments.
- Improved practical understanding of JavaScript programming concepts.
- Enhanced problem-solving and coding efficiency through project work.

InternPe

Jan 2026 – Feb 2026

Role: DSA in C++ Intern

Responsibilities:

- Worked on fundamental data structures and algorithms in C++.
- Completed coding and problem-solving assignments.
- Developed simple console-based projects.
- Practiced logical reasoning and algorithm implementation.
- Strengthened debugging and analytical skills through exercises.

Impact:

- Completed 4 technical assignments successfully.
- Improved coding proficiency in C++ and data structures.
- Built a stronger foundation in algorithmic problem solving.
