PROFESSIONAL SUMMARY

Aspiring web developer and programmer with hands-on experience in Python, JavaScript, and C++. Proven ability to develop interactive applications, implement data structures, and solve complex coding challenges through internships and technical projects. Adept at debugging, code optimization, and collaborative problem-solving. Eager to leverage technical skills and adaptability in an innovative, growth-oriented environment.

PROFESSIONAL EXPERIENCE

JavaScript Developer

NSP NEXUS | Jan 2026 – Feb 2026

- Developed interactive applications and simple projects utilizing JavaScript, enhancing practical understanding of core programming concepts.
- Successfully completed 4 technical assignments, significantly improving problem-solving and coding efficiency in JavaScript development.
- Applied debugging and code optimization techniques to refine application performance and ensure robust functionality.
- Collaborated on coding tasks and technical exercises, reinforcing foundational data structures and programming principles.

DSA in C++ Intern

InternPe | Jan 2026 – Feb 2026

- Implemented fundamental data structures and algorithms in C++, successfully completing 4 technical assignments focused on problem-solving.
- Developed simple console-based projects, applying logical reasoning and effective algorithm implementation.
- Enhanced C++ coding proficiency and analytical skills through rigorous problem-solving exercises and debugging practices.
- Strengthened foundational understanding of algorithmic problem-solving principles, contributing to a robust computer science base.

TECHNICAL SKILLS

- Python
- JavaScript
- C++
- Git
- GitHub
- Visual Studio Code
- MySQL

EDUCATION

Bachelor of Technology (B.Tech) – Computer Science and Engineering (IoT)

B.S. Abdur Rahman Crescent Institute of Science and Technology, Chennai

ACHIEVEMENTS

- Winner, Chrono Voyage Technical Competition – SSN College
