PROFESSIONAL SUMMARY

Aspiring Web Developer and Programmer with hands-on experience in Python, JavaScript, and C++. Skilled in applying fundamental data structures and algorithms to develop simple applications and solve complex coding challenges. Proven ability to collaborate on technical projects, debug code, and optimize solutions. Eager to leverage technical proficiency and adaptable mindset in a dynamic, growth-oriented environment.

PROFESSIONAL EXPERIENCE

JavaScript Developer

NSP NEXUS | Jan 2026 – Feb 2026

- Applied fundamental data structures and programming concepts to develop functional applications.
- Successfully completed 4 technical assignments focused on problem-solving in JavaScript development.
- Built and deployed simple interactive applications, demonstrating practical coding skills.
- Utilized debugging and code optimization techniques to enhance application performance and efficiency.
- Collaborated on various coding tasks and technical exercises within a team environment.

DSA in C++ Intern

InternPe | Jan 2026 – Feb 2026

- Implemented and applied fundamental data structures and algorithms using C++.
- Executed and successfully completed 4 comprehensive coding and problem-solving assignments.
- Developed simple console-based projects to reinforce theoretical knowledge and practical application.
- Refined logical reasoning and algorithm implementation skills through dedicated practice.
- Strengthened debugging and analytical skills by identifying and resolving issues in C++ exercises.

TECHNICAL SKILLS
